California High School Graduation Certification Form For the Cal Grant Entitlement Program

Where do I submit my high school graduation certification?

Please submit this form to the address at the bottom of this page or submit it on-line at <https://mygrantinfo.csac.ca.gov>

What does completing all graduation requirements mean, exactly?

Completing all high school graduation requirements means you have passed all required coursework and passed any required examinations, including the California High School Exit Examination (CAHSEE), if required. When leaving high school, graduates would have been given a full diploma, not just a "Certificate of Completion." If you are unsure, you can contact your high school.

What if I don't have a diploma but I do have a graduation equivalent?

Instead of graduating, you may have taken and passed the California High School Proficiency Examination (CHSPE) or the General Education Development Test (GED). A passing score on either one of these tests is considered "the equivalent of high school graduation" and satisfies the high school graduation requirement necessary for a student to participate in the Entitlement Cal Grant program.

What if I have not graduated from high school or do not have a graduation equivalent? What can I do?

You are not eligible to receive Cal Grant Entitlement benefits if you have not graduated from high school or achieved the equivalent. However, state law gives potential Cal Grant Entitlement participants until December 31 of the award year to complete the high school graduation requirements. If you have not yet graduated, but expect to graduate prior to December 31 of this award year, keep this certification form and submit it after you have completed all your graduation requirements. If you have not graduated from high school, or achieved the equivalent by December 31, 2008, this Cal Grant offer is void. You would have to reapply next year by March 2, 2009, for 2009-2010 award year consideration.

This certification can be completed on-line at: <https://mygrantinfo.csac.ca.gov>
